Fall 2022 Final Enrollment Report

Enrollment Counts

Core enrollment includes all students enrolled in at least one non-concurrent credit course. Concurrent enrollment includes all students enrolled in at least one credit course offered at area high schools through ATC. Total enrollment includes all students enrolled in at least one credit course. Count is an unduplicated headcount of students registered for at least one credit. Credits are the total number of credits. Average is the average number of credits per student. FTE is full-time equivalent enrollment, which is credits divided by 15.

Student Status

A full-time student is a student who is registered for 12 or more credits. A part-time student is a student who is registered for fewer than 12 credits. For each campus credits are based on total credits at ATC, not credits taken at individual campuses. PSEO and concurrent students who re-enroll after graduating from high school are considered new students.
