The Anoka Technical College Practical Nursing (PN) diploma is a 38-credit, full-time, two semester program. Through Minnesota Board of Nursing approved program of study, the Practical Nursing program prepares students for a diploma in Practical Nursing. Graduates are educationally eligible to take the National Council Licensure Exam for Practical Nurses (NCLEX-PN) and, after passing and obtaining state licensure, may use the title Licensed Practical Nurse.

Consistent with the standards that define nursing practice, the outcomes of the Anoka Technical College program of learning is a graduate who is able to:
1. Adhere to professional standards of practice within safe, legal, ethical and regulatory frameworks within the practical nurse scope of practice (Professional concepts: Safety, Professional Identity and Behavior)
2. Communicate effectively to deliver coordinated, interprofessional care through teamwork and collaboration (Professional concepts: Teamwork and Collaboration)
3. Utilize holistic information to provide evidence-based patient care that contributes to continuously improving care processes (Professional concepts: Evidence-based Care, Quality Improvement)
4. Demonstrate a caring and empathic approach while providing for individual patients’ needs across the lifespan and health/illness continuum within a diverse community (Professional concept: Patient Relationship-centered Care)
5. Participate in supporting patient care through the utilization of information technology (Professional concept: Informatics)

The Anoka Technical College Practical Nursing (PN) program is approved by the Minnesota Board of Nursing and is specifically designed to train graduates for the specialized field of Licensed Practical Nursing (LPN).

Effective July 12, 2017, the Anoka Technical College Practical Nursing Diploma Program is granted initial accreditation by the Accreditation Commission for Education in Nursing (ACEN) Board of Commissioners. The next scheduled evaluation visit is Fall, 2024.

Accreditation Commission for Education in Nursing (ACEN)
3390 Peachtree Road NE, Suite 1400

All required documentation must be submitted in person; Enrollment Services will be unable to receive them via mail, online or fax. Practical Nursing applications are reviewed at the time they are submitted for completeness. When all admission guidelines are satisfied, the applicant is accepted on a space available basis for the following semester.

- Apply to Anoka Technical College and be admitted to the college
- Complete the Nursing Assistant or Medical Assistant requirement
- Complete the CPR requirement
- Complete the Accuplacer Assessments and the Test of Essential Academic Skills (TEAS V or ATI TEAS). See Admission Guidelines under the links on the Practical Nursing web page
- Complete the Student Record of Immunization document found under Forms on the Practical Nursing website
- Submit the Practical Nursing program Application (found under Forms) with documentation of each the above

State law requires any person who provides services that involve direct contact with patients and/or residents at a health care facility have a background study conducted the Minnesota Department of Human Services (DHS). A student who is disqualified as a result of a background check will not be allowed to enter the program major. A student must receive a “Background Study Clearance” within 90 days preceding the start of clinical or fieldwork courses to be placed at a partnering facility. Any student failing to receive clearance will be disqualified from enrollment in the course. Arrests, charges, or convictions of criminal offenses may cause a student to fail a background study. A disqualified student has the right to request reconsideration of the disqualification. It is the responsibility of the student to request consideration to the Minnesota Department of Health Commissioner if he or she chooses to do so. An applicant is considered to be disqualified while in the reconsideration process.

All Anoka Technical College students seeking an Associate in Applied Science (AAS), diploma, or certificate must meet the cumulative grade point average (GPA) of 2.0 or higher. Refer to the Anoka Technical College Student Handbook and College Policy 2.4.

Additionally:
- Complete all of the required courses as outlined on the program plan with a C or better grade in each course and an A in MATH 1010.
- Maintain current CPR certification.
- Complete NCLEX-Practical Nursing success predictor test.
- Maintain an acceptable background check from the Minnesota Department of Human Services.
- Submit an application for graduation to Records/Registration.

Industry Information
Licensed practical nurses (LPNs) specialize in delivering skilled delegated nursing care to individual patients/client across the lifespan in all stages of wellness or illness at the direction of qualified healthcare providers. LPNs care for diverse adult and pediatric patients within an established plan of care and participate as a member of the healthcare team.

LPNs enjoy employment opportunities in a variety of health care settings, including clinics, long term care and transitional care centers, assisted living, home care, schools, hospitals, and group homes.

The LPN is a dynamic, vital member of the healthcare team and is legally responsible to practice practical nursing within the Minnesota Nurse Practice Act and the Minnesota Board of Nursing Rules.

Wages/Outlook/Advancement
Wage information is available from the Minnesota Department of Employment and Economic Development

Start Dates
Fall Semester ......................................................... August
