

Short Message Service (SMS) – Text Messaging

In addition to receiving email notifications about course activity in D2L Brightspace, you can receive text messages. Follow the directions below to receive text message notifications through your mobile device.

1. Log in to D2L Brightspace.
2. In the minibar, click the down arrow next to your name.
3. Click **Notifications**.

4. Click **Register your mobile**.

Notifications

Control how you receive notifications about activity in your courses. You can receive a periodic summary of activity, or receive instant notifications as things happen.

5. Select and fill in the required information. **Read the text in the red box.**

Note: In the Mobile Number box, enter your 10-digit mobile phone number (e.g. 5555555555 or 555-555-5555). You can enter the phone number with or without spaces or dashes. The system will remove extra characters after saving. A 10-digit phone number is required. If 9 or less numbers are entered, an "invalid mobile number" message displays to indicate the required information.

6. Click Save.

Register Your Mobile

Before you can receive text notifications, you must confirm your mobile device. Carrier charges might apply to text messages you receive. Check your phone/data plan.

- A Mobile Number dialog box appears. **Note the text in the red box.** Retrieve the confirmation code in the text message sent to your mobile device. It may take a few minutes for the confirmation code to appear on your mobile device. Type in the confirmation code.
- Click Confirm.

- You will be taken back to the Notifications screen. Under Mobile Number, you will see the following screenshot. Your mobile number will appear after **Send text-message notifications to:**. You can choose the max number of messages you want to receive per day. **You cannot opt out of this service through your cell phone. You must go into your D2L Brightspace Notifications and click the trash can icon next to your mobile number to remove your mobile device settings and click Save when done.**

- Scroll down the page. Under **Instant Notifications**, a SMS column will appear. Check the notifications you want sent to your mobile device.
