# WAYS TO GIVE

## OUTRIGHT GIFTS

When you make an outright gift to Anoka Technical College, your contribution can be put to work immediately - either providing funding for current programs or creating a reliable source of future income by expanding the college's endowment. An outright gift may be comprised of almost any asset of value.

## CASH GIFTS

The simplest and easiest gifts you can make — can be made through outright cash, personal checks, cashier's checks, or money orders are made payable to the Anoka Technical College Foundation.

## MATCHING-GIFT PROGRAMS

An easy way to double or even triple your donation to Anoka Tech is to find out if your company has a matching-gift program. Such programs typically match all or a percentage of employee contributions to charitable organizations, making the employer a partner in employees' personal philanthropy. Simply obtain a matching-gift form from your employer's personnel office, complete it and provide it to the Anoka Technical College Foundation with your contribution.

## GIFT PLEDGES

Anoka Technical College welcomes gifts through a personal pledge — a formal statement of intention to make a gift to the college. With a pledge, you may complete your gift by making regular payments over time, allowing you to give more generously than you originally may have considered. Additionally, each payment on your pledge is eligible for an income-tax charitable deduction.

## GIFTS OF PERSONAL PROPERTY

Including works of art, valuable collectibles, rare books and tangible items of demonstrable value — in some cases may enable you to make a significant gift to support Anoka Technical College with outstanding tax benefits to you.

## PLANNED GIFTS

To learn about deferred or planned gifts including leaving a gift to the college in your will or naming the college as a beneficiary of a life insurance policy, please contact the Anoka Technical College Foundation. Many planned gifts have tax benefits to the donor. The foundation will work with you and your financial advisor to ensure your financial goals and gifts are recorded as you wish.

## GIFTS OF APPRECIATED SECURITIES, STOCKS, AND BONDS

Also provide considerable tax advantages when transferred to the Anoka Technical College Foundation before they are sold. If you have held your securities for more than one year, you may find that your gift will provide a twofold tax benefit, creating an income-tax deduction as well as helping avoid the capital-gains tax that would have been due on their sale.

If you wish to transfer stocks from a broker's account, the Anoka Technical College Foundation has an account with an area brokerage firm. Have your broker call the Anoka Technical College Foundation at (763) 576-4755 for further details and information.

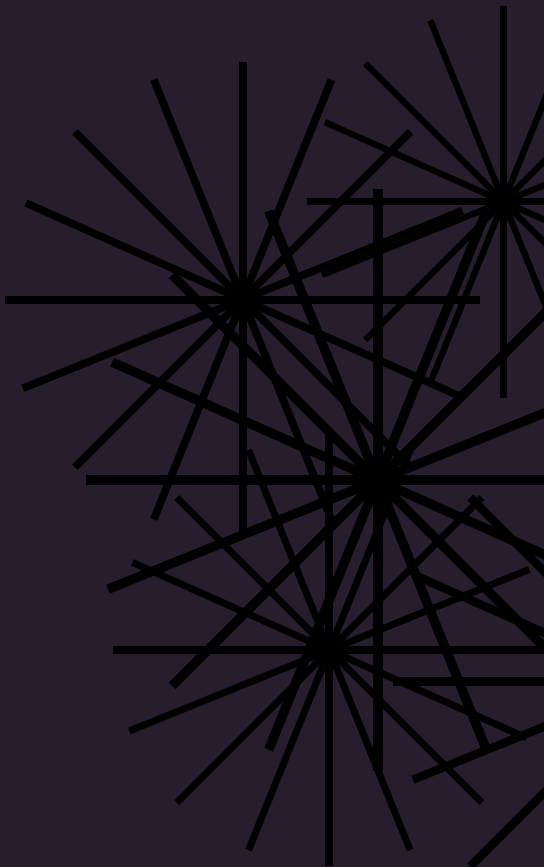

You also may make a gift of mutual funds, non-marketable stock, or closely held stock. Contact the Anoka Technical College Foundation for information about giving these types of securities.
