## 2008-2009 Independent Verification Worksheet

Your application has been selected for review in a process called "Verification." In this process, Anoka Technical College will be comparing information from your application with signed copies of your 2007 Federal Income Tax Returns (and your spouse's tax return if you are married). The law states that we have the right to ask you for this information before awarding Federal Student Aid. If there are differences between your application information and your financial documents, we may send corrections electronically to have your information reprocessed.
