 Amount Requested

I authorize Anoka Technical College to establish a bookstore credit for me on the eCampus online bookstore using federal and state financial aid. I understand that only Federal and State Grants and certified student loans will be considered when determining the amount of the credit, and this credit is limited to the amount approved by the Financial Aid Office. I understand that using the bookstore credit will reduce or may even eliminate the overage check I receive. My ATC account will be charged for the actual bookstore costs, not for the unused portion of the credit. I further understand that if I do not complete this semester or if I change my registration, I may owe a refund of my financial aid and will be billed by the college. I am aware that Financial Aid can only be used to purchase Education Related materials. Clothing **cannot** be purchased with Financial Aid.
