

Interpreting Test Results

Your scores will indicate whether you begin your college studies by registering for

- (1) college-level reading, writing, and math courses, *OR*
- (2) developmental reading, writing, and math courses.

College-level courses.

A college-level course is a college or university course that meets college-level standards. Credits earned in a college-level course apply toward the requirements of a certificate, diploma, or degree.

Developmental courses.

A developmental course is a course designed to prepare a student for entry into college-level courses. Developmental course credits do not apply toward a certificate, diploma, or degree.

My results are not college-level. What is my next step?

OPTION 1 - Register for Developmental Course

When you attend your Orientation/Registration session you will have the option to register for the one semester Math, Reading and/or English developmental course(s) indicated on the PLACEMENT section of your ACCUPLACER score report, paying the current tuition rate.

OPTION 2 - Review and Retest

At ATC, students may retest only once within a two year period. High school students wishing to retest are required to follow the procedure provided by the Test Administrator.

For all students no longer in high school, review with Metro North Adult Basic Education (ABE) is REQUIRED before retesting. The ABE teacher will help you identify areas you need to study and provide assistance. Begin the review process by attending ABE Orientation.

When can I retest?

The *no fee* ABE program **requires** a minimum of twelve hours of review. Additional review time is dependent on individual need and is determined by the ABE teacher. The ABE teacher will determine when you are ready to retest, and provide you an Authorization to Retest form. You may not retest without it. Students opting to retest are recommended to begin by attending ABE Orientation now.

RETEST FEE

A retest fee of \$10 per retest session is payable at the Records/Business office window immediately prior to your retest session. The fee is waived for current high school students.

RETEST APPOINTMENT

You may retest any Tuesday at 9 AM, no appointment needed. Please note you cannot retest without the signed Authorization to Retest form from Adult Basic Education.

What your ACCUPLACER test scores mean at Anoka Technical College

Anoka Technical College (ATC) requires all students seeking diploma or A.A.S. awards to meet the following program requirements: Accuplacer scores exempting students from taking developmental English, Math, and Reading courses, OR completion of those courses with a Grade of C or better. Some certificate programs require the same. Refer to your [program plan](#).

- Reading Comprehension score of 78 or greater required for exemption from READ 0900 Reading Skills
- Sentence Skills score of 86 or greater required for exemption from ENGL 0101 Basic English
- Arithmetic score of *71 or better required for exemption from MATH 0801 Basic Math

* **There are EXCEPTIONS** - Check your Program Plan for program and/or course prerequisites.

STEP 1

Write your ACCUPLACER test scores in the space provided below each test name.

STEP 2

Review your Program Plan to determine what courses are required for your specific major.

STEP 3

Check the ATC placements below to determine which courses are best for you to begin your college studies.
