Definitions/Glossary of terms:

Continuing student = a student who previously attended the institution. However, PSEO (and other high school students) who re-enroll at the institution as regular undergraduates after graduating from high school are considered “new” students.

Credits = the total number of credits students have registered for at ATC.

First generation status = this definition is the MN Legislative definition of first generation status, and can be found in Laws of Minnesota 2003, Chapter 13, Article 1, Section 3, Subdivision 3. Per this definition, a student is first generation if neither parent/guardian has received any postsecondary education. This differs from the Federal (TRiO) definition of first generation, which considers a student to be first generation if neither parent has a bachelor’s degree.

Full-time student = a student whose total number of registered credits at the college is 12 or greater.

FTE = full-time equivalent enrollment, which is based on 15 credits per semester (total eligible credits / 15).

FTE credits = the adjusted total number of credits students have registered for at ATC that count toward the FTE calculation (i.e., adjusted to account for shared courses where ATC may only count half of the total FTE generated, etc.).

Headcount = an unduplicated headcount of students registered for at least one credit during this term (i.e., students are counted only once, even if they are enrolled in multiple courses).

New student = a student who has not previously attended the institution. For fall semester, “new” students include anyone who is enrolled for credit during fall term but whose first term of enrollment at the institution was the summer term immediately preceding the fall term.

Online courses = online courses are identified as those with a media code of “03” (Internet).

Online or hybrid courses = online courses are identified as those with a media code “03” (Internet); hybrid courses are identified as those with a media code of “09”.

Part-time student = a student whose total number of registered credits at the college is 11 or less.

Primary major = a student’s stated or intended major; identified as majors with a major rank “01”.
