Graduate Placement Director  
Anoka Technical College

Dear Director,

We currently have an opportunity for two bright and ambitious employees who have a strong Electrical and Mechanical aptitude.

Please review our attached advertisement. I have also included a short overview of Mid-America Business Systems. It is important to us and, of course, to our prospective employee that we get the right match!

Please take a moment to review the workup I have prepared, "Why Mid-America is Your Best Buy". If you or any students need additional information, please feel free to call anytime.

Cordially,

Gil Roscoe Sr.  
President / CEO
