

Job Description – Home Health Aide

Definition: One who provides personal care assistance to clients in their home under the direction of **Yellow Rose Home Care's** supervisor. The Home Health Aide is responsible for seeing that assistance is delivered in a caring and respectful manner, in accordance with relevant agency policies and industry standards.

We have an immediate opening for a very part-time client in Brooklyn Park. It is important to note that it is likely that this client will increase their hours as time passes, and this is an ongoing assignment. The agency will work hard to assign additional clients that would bring the aide up to the number of hours she/he desires. We are looking to fill the position with someone who is going to bring the client the highest comfort level.

Please click on Employment from our homepage, <http://www.yellowrosehomecare.com>, to apply. We also have an ongoing need to recruit caring and capable CNA's
