

## GREEN LAKE NURSERY

270 Lake Ave., N

P.O. Box 488

Spicer, MN 56288

(320) 796-2178

### LANDSCAPE DESIGN & SALES POSITION SPRING 2010

Green Lake Nursery has been a leading landscaping company in Spicer for over 33 years. Our emphasis is on residential landscaping with a retail garden center featuring trees, shrubs, annuals, perennials, lawn care products and horticultural advice.

#### JOB DESCRIPTION

Landscape designers are responsible for initial client meetings, design, sales presentation, installation and follow up. A designer will participate in landscape design as well as work on landscape crews. Other duties include plant installation, hardscape installation and installing erosion control materials. A sales position will include garden center sales and cash and carry sales of nursery stock.

#### POSITION QUALIFICATIONS

Must have completed 2<sup>nd</sup> or 3<sup>rd</sup> year in a Landscape Design program with an accredited university. This individual must have good knowledge of plant material, including perennial flowers and grasses. Previous experience on a landscape crew a plus. Applicant must have a valid state issued drivers license.

#### PHYSICAL DEMANDS

Work requires considerable heavy physical effort. Applicant must be able to lift 40 lbs.

#### COMPANY ACCOMMODATIONS

Wage range \$10 -\$14 per hour, per experience.

Introductory period of 30 days.

This position would be 40-50 hrs per week, weekends and holidays as needed.

These statements are intended to describe the general nature of this position. They are not intended as a complete list of all responsibilities, duties and requirements.
