Hello Fredi,

Attached is a letter advertising our opening, which we would like to fill ASAP! I am hoping you can put this on your bulletin board, send to recent graduates, or post to your website. Our COTA program here in Arizona will not be having any graduates until 2011, and we desperately need to fill this position! We offer relocation assistance and benefits. If you are unable to open the letter, please call me or e-mail. I really appreciate your help! Thanks!
