

Hello I am from ACR Homes, Inc. and we have some job opportunities that we would like your students to know about:

The Residential Supervisor (RS) is a live-in position that manages and maintains all aspects of the group home. This position involves staff leadership, administrative work, high levels of communication, direct care work, and advocacy for our residents. The RS's responsibilities include supervising and scheduling the staff in the home (typically 10-20 people); managing the budget; making and taking residents to medical and dental appointments; interacting with parents, medical, and county professionals; maintaining the house and grounds; working both direct care and doing administrative work (total of about 40-50 hours per week) and carrying a pager; writing monthly and quarterly reports as needed; making sure staff and the house meet licensing requirements; and ensuring that all the shifts are covered.

-and-

As a Program Counselor, you are responsible for meeting the emotional and physical needs of the people we support, being a positive role model, and helping them to meet their personal goals. You will be assisting them with their daily living skills such as self-care, meals, transportation, and medical needs. You will also accompany them on a variety of recreational and leisure-time activities.

Flexible hours available 24 hours a day 7 days a week. \$10.84 - \$17.27 per hour.

Applicants must have a valid driver's license, clean driving record, reliable transportation, and a clean criminal history. Also must be able to lift up to 70 lbs.
