POSITION DESCRIPTION: Supervisor-Non-Sales

Details: Basic Qualifications: • 1 year retail sales or customer service supervisory experience • This isn't a desk job! Lifting up to 50 lbs., standing and moving up to 100% of the time • At least 18 years of age • High School Diploma or Equivalent Were you born to lead? Inspire? Multitask? Do you thrive on challenge and change? If so, you just might be Best Buy Supervisor material. The most important part of being a Supervisor for the world's largest consumer electronics retailer is ensuring the very best experience to our customers and employees. As a Supervisor, you will have the opportunity to develop relationships and create and maintain a team-based, cooperative work environment. To ensure your success, you will be supported with an intensive orientation and ongoing training program to help you achieve great results. You will have the opportunity to develop your communication skills, detail orientation and build on your natural talents and strengths in a high-energy, value-based environment. Key Responsibilities: • Partner with store management to deliver day to day coaching & training to employees to ensure quality execution of store processes and strategies • Ensure store operations and processes are executing according to company SOP • Create an innovative environment where employees are inspired to provide customer solutions across the store and share ideas regarding new ways to do business, gain new customers, improve processes, and create a more efficient enterprise
