Hello!

We currently have several long term temporary customer service call center positions available with our client in Minneapolis. We are looking for candidates with either a call center or customer service background, solid computer skills, has a good math aptitude and has been at least one job longer than two years. The shifts do vary and there is a Saturday requirement every four weeks. **Please have anyone interested email me directly and include their resume, no phone calls please!**

Thank you for your support!
