Hello!

We currently have several long term temporary and temp-to-hire manufacturing and logistics positions available with our clients in the Twin Cities Area. We are looking for candidates with mechanical or warehouse experience. The shifts do vary as does salary. Most of our positions require background checks and drug screenings, as well as high school graduates (or GED). **Please have anyone interested email me directly and include their resume!**

Thank you for your support!

**Nick Albertson**  
**Staffing Consultant**
