The Ensign Group is a California based network of 70 independently owned/operated skilled nursing facilities. We are located throughout Texas, California, Arizona, Utah, Colorado Washington, and Idaho. We offer an outstanding setting for new graduates :

- \*Assignment to one facility
- \*Outpatient programs in many of our facilities
- \*On-site mentor therapist and rehab director
- \*Stable, in-house therapy setting
- \*Minimum \$500.00 in continuing education reimbursement per year
- \*On-going internal clinical continuing education
- \*Wide variety of patient diagnoses – everything from cva to fracture

We currently have positions available for a new graduate **Certified Occupational Therapy Assistant** in the following locations:

**Livingston, Texas; Mesquite, Texas; Temple, Texas; San Antonio, Texas; Phoenix, Arizona; Sonoma, California; Hoquiam, Washington; Walla Walla, Washington; Lemon Grove, California; Costa Mesa, California; Glendora, California; Camarillo, California; Ukiah, California**

These are outstanding facilities with an excellent multi-disciplinary therapy staff in place in each one. It's a great spot for a new grad because we have experienced therapists as part of our existing team who can mentor and train.

The Ensign Group offers excellent compensation and benefits including medical, dental, vision, 401K with company match, generous paid time off, life insurance, your birthday as a paid holiday, and paid CEU's, and many internal continuing education opportunities. For select locations, we are offering a sign on bonus plus paid relocation.
