ACCUPLACER Retesting for High School Students

*Students who opt to retest, rather than register for developmental courses,
are required to review prior to retesting.*

- 1 Seek help from high school counselors, teachers, parents, the Library, etc.
Review on-line by visiting Anoka Tech on the Web at www.anokatech.edu
Click on **Future Students, Get into College, Placement Testing, Prepare for Test.**
- 2 Carefully review for the retest.
At Anoka Technical College only one retest per subject is permitted within a two
year period.
- 3 When you think you are ready to retest, view the Walk-in Test Schedule posted at
the Web address listed above. The retest fee is waived for students currently
attending high school.

Questions? Contact the Testing Center at 763.576.4761.
