

BENNY™ Cards

State employees who are enrolled in the **Minnesota Advantage Plan**, effective Jan. 1, 2009, should look forward to the arrival of Benny™ Cards! This is a reward given to Advantage Plan members who have been great health care consumers, resulting in a very good claims year.

The Benny™ Card can be used to cover eligible expenses incurred on or after January 1, 2009. The cards should be mailed out by the week of January 18. If card production goes better than expected, some employees may receive cards earlier. Employees can submit receipts for reimbursement of eligible expenses (via mail, fax or online) if they happen to make a qualified purchase prior to getting their Benny™ Card in the mail.

When the Benny™ Card arrives, employees **must** call the number on the card to activate it, like any other credit card, prior to use. Activation occurs within 24 to 48 hours.

If employees would like to view additional information about the Benny™ Card, please go to the Eide Bailly Web site. They have two very informative pieces of information available.
