

Supervisory Leadership Certificate

Program Information

The Anoka Technical College Supervisory Leadership certificate is a 14-credit program that can stand alone or can be combined with the Human Resource Development and Quality Supervision certificates and 15 general education credits for a total of 60 credits to complete the associate in applied science (AAS) degree in Supervisory Management.

Prerequisites

See *Graduation Requirements*.

Graduation Requirements

ACCUPLACER Test Requirement: Anoka Technical College requires that all students seeking an associate in applied science (AAS) or diploma have new student assessment scores exempting them from taking basic math, basic English, and reading or complete basic math, basic English, and/or reading courses with a "C" grade or better.

See Graduation Standards in the *Student Handbook*.

NOTE: Program plans are subject to change. Please contact your program advisor for the most current program information.

Transfer Opportunities

To see how this program transfers to other programs, review the Anoka Tech articulation agreements at [Minnesota Transfer](#). Articulation agreements are transfer agreements with specific programs and partnering schools. These agreements detail how specific courses transfer to a specific program at the partnering school. For a complete list of Anoka Tech's articulation agreements listed by program please see this [Minnesota Transfer link](#).

This program may also include Minnesota Transfer Curriculum (MnTC) courses. MnTC courses transfer to meet MnTC general education courses throughout the Minnesota State Colleges and Universities (MnSCU) system. MnTC courses from Anoka Technical College transfer to any MnSCU institution to meet the same goal areas that are met at Anoka Tech. Students are encouraged to contact the Office of Records and Registration at all transfer schools for details about the institution's transfer process and policies.

For more information please visit our [Transfer page](#)

Industry Information

The supervisory field covers all areas of the private and public sector. Business and industry consistently seek out qualified employees who can move into the supervisory ranks. Anoka Technical College's Supervisory Management program prepares individuals to perform successfully as supervisors.

Wages/Outlook/Advancement

Wage information is available from the Minnesota Department of Education and the Minnesota Department of Employment and Economic Development
