2021-2022

Judicial Reporting
Associate of Applied Science (AAS) Degree

Program Information

The Anoka Technical College Associate of Applied Science (AAS) degree in Judicial Reporting is a 68-credit program designed to get graduates working as soon as possible. The academics are designed to be completed in two years. The speed requirement may be completed in two years or may take additional time. Coursework includes English, Legal and Medical Terminology, Business Law, Computer Technology and Machine Shorthand Theory.

Students learn a conflict-free realtime theory that enables them to write efficiently on a realtime system starting in the first semester. Students learn theory in their first year of classes, then work to increase their speed and accuracy until they can capture literary material at 180 wpm, Jury Charge material at 200 wpm, and question-and-answer material at 225 wpm. Summer sessions are mandatory for Judicial Reporting students.

Program Learning Outcomes

By completing this program, students will achieve the following learning outcomes.

- Students will demonstrate the ability to write a realtime theory.
- Students will be able to demonstrate competency in court reporting technology, including the use of customized computer-aided software.
- Students will be able to write two-voice at 225 wpm with 97% accuracy; jury charge at 200 wpm with 97% accuracy; and literary at 180 wpm with 97% accuracy.
- Students will demonstrate knowledge of business and professional ethics that are essential to success.
- Students will participate in an internship consisting of 40 hours of actual writing time with a professional reporter and/or captioner. Student will demonstrate entry-level industry proficiency by producing a 40-page manuscript.

Course Prerequisites

* The prerequisite for JRBC 1005 is ADSC 1003 Introduction to Keyboarding and Speedbuilding or successful Keyboarding test out at 25 wpm or more.

Some courses may require appropriate test score or completion of basic math, basic English and/or reading courses with a “C” or better.

Accreditation/Certification

The Judicial Reporting curriculum was created to meet or exceed National Court Reporters Association (NCRA) standards set out by the Council on Approved Student Education (CASE).

The Judicial Reporting/Broadcast Captioning/CART programs are approved by NCRA. Upon graduation, students will be ready to take the NCRA’s Registered Professional Reporter (RPR) certification exam. The RPR exam is offered twice per year in April and November.

Program Essentials

Laptop, steno machine, Eclipse student software. Please see instructor for specific requirements before purchasing any equipment. See Tuition and Fees for more information.

Graduation Requirements

Students must earn a grade of “B” or better in all speedbuilding classes and a grade of “C” or better in all other coursework in order to graduate. In addition, students shall pass three five-minute speed tests with 97% accuracy at the following speeds: 225 wpm testimony (two-voice), 200 wpm jury charge, and 180 wpm literary.

The student shall successfully complete an internship with no less than 40 hours of verified actual writing time.

Upon graduation, students will be ready to take the NCRA’s Registered Professional Reporter (RPR) certification exam. The RPR exam is offered twice per year, in April and November.

Transfer Opportunities

To see how credits from this program may transfer into other Anoka Technical College programs or into a program at another college, visit:

Industry Information

Judicial Reporters can work in courtrooms as official reporters, creating accurate verbatim written records of all the proceedings. Official reporters are employed by the State. Deposition reporting (also known as freelance reporting) is a popular field because it is interesting and allows for flexible scheduling. Freelance reporters typically work on an independent contractor basis taking depositions at law offices.

Wages/Outlook/Advancement

Wage information is available from the Minnesota Department of Employment and Economic Development.

Start Dates

Fall Semester .................................................. August
Spring Semester .................................................. January**

Summer session is mandatory for Judicial Reporting students.

**Students who start in the spring will need more time to complete this program. Limited first semester technical courses are offered in the Spring semester.

MnTC General Education

Fifteen (15) credits of general education credits from the Minnesota Transfer Curriculum (MnTC) are required. MnTC credits must be from three different goal areas and can be completed separate from or together with the technical credit requirements.

Note: MnTC credits are not listed in your program sequence plan. Please see your faculty advisor or enrollment services for help in planning when to complete your MnTC credits.
