APWA-MINNESOTA CHAPTER TECHNICAL COLLEGE/SCHOOL SCHOLARSHIP CRITERIA

I. OBJECTIVE OF SCHOLARSHIP

To financially assist students in Civil Engineering Technology Programs, drafting, design, inspections and surveying. To increase the interest in the public works profession, by publicizing the APWA-MN Chapter and its Scholarship Program.

II. CRITERIA FOR APPLICANTS

1. Student must be a Minnesota resident or an APWA-MN Chapter member, but not necessarily attending a Minnesota School.
2. Applicant must be a Technical College/School student going into their second year level (or higher) and enrolled in a Public Works-related degree program: Civil Engineering, Drafting, Design, Inspections, Surveying, GIS, Forestry, Natural Resources, Horticulture, Water Certificate/Utility Operators, Biological Science, or Fleet Management.
3. Consideration will be given to financial need, academic achievements, character, participation in professional organizations, and any previous work experience in the area of public works.

III. AWARD AMOUNTS

The scholarships are as follows:

One - \$4,000 and two - \$2,500 College Scholarships

IV. REFERENCES

All applicants must submit a letter of reference from an instructor, academic counselor, or a public works professional indicating knowledge of the applicant's interest in a career in the field of public works.
