

Program Information

The 45 credit Paramedic program at Anoka Technical College exists to educate candidates to be able to successfully complete the National Registry of Emergency Medical Technicians (NREMT) cognitive and psychomotor exams and be competent entry-level employees.

Program Learning Outcomes

“To prepare competent entry-level Paramedics in the cognitive (knowledge), psychomotor (skills), and affective (behavior) learning domains with or without exit points at the Advanced Emergency Medical Technician and/or Emergency Medical Technician, and/or Emergency Medical Responder levels.”-Required by Committee on Accreditation of Emergency Medical Programs (CoA)

Industry and Career Outlook

The paramedic profession is an emerging, rapidly changing profession. Paramedic work in ambulances (in populated areas) and are also working in hospitals, urgent care centers, and other areas of health care. As with other healthcare professions, the future need is great. The paramedic profession continues to evolve.

Wage information is available from the [Minnesota Department of Employment and Economic Development](#).
